School Visitor Checkin

School Visitor Check - A single School Visitor Check-in system has been introduced to every school across the state.

The Department of Education has partnered with Service NSW to provide a streamlined, digital school sign-in system for visitors and contractors at every NSW government school.

Benefits of the new system include:

- Accelerating your check-ins to as fast as 20 seconds!

Watch our short [parent video External link](#) to see how it works for parents or our [contractor video External link](#).

Who can use School Visitor check-in

- Visitors such as parents and carers, contractors, service providers and volunteers.

Students or visitors under the age of 18 are not required to use School Visitor Check-in. For

more information visit School Visitor Check-in on the department website.

Parents Running Late

We realise from time to time parents run late to pick up their child from school. Please remember if you phone the school at 3pm it is difficult to get a message to your child.

Please try to let your child know in the morning before school if normal arrangements have been changed prior to them coming to school.

If you have difficulty picking your child up at 3pm please remember we have SMOOSH before and after school care on school grounds as there is no school supervision available after 3pm.

Notes Home

All notes and money from students are to be returned to the office before school. No notes are to be sent to the classroom. Please place notes in the blue letterbox in the office foyer.

Please remind your children
Thank you for your assistance.
